

**CITY OF ROBERTSDALE
ENGINEERING DEPARTMENT
(251)947-2466**

PERMIT TO CONSTRUCT TURNOUT TO PROVIDE ACCESS TO A CITY OF ROBERTSDALE ROAD

FOR OFFICE USE ONLY

INITIATOR: _____

PERMIT DATE: ____/____/____

SIZED BY: _____

DATE SIZED: ____/____/____

CULVERT SIZE: _____

CONTACT DATE: ____/____/____

STREET: _____

This form is to be used for private, commercial, industrial and subdivision entrances where the applicant installs the side drain pipe and constructs the turnout. Culverts must be long enough for the driveway width plus a 2 foot shoulder on each side in addition to a 3 to 1 sloped end. Concrete headwalls shall be constructed on each end. Culverts must be concrete or high density corrugated polyethylene pipe with smooth flow line where cover requirements permit. **All polyethylene pipe used requires no less than one foot of coverage.** In the event more than 50 feet of driving surface is desired, a clean out box is required for maintenance.

NAME OF APPLICANT (PRINT) _____

MAILING ADDRESS: _____

TELEPHONE NO. HOME: _____ WORK: _____

INSTALLATION ADDRESS: _____

SIGNATURE OF APPLICANT: _____

The applicant hereby requests permission from the City of Robertsdale Street Department to construct a turnout to the road above noted and agrees with the City of Robertsdale Street Department, that permission for applicant to construct, maintain, and/or use of such turnout shall be subject to all terms and conditions as respectively applicable, and that such permission will be revoked or denied by the City of Robertsdale Street Department at any time the applicant fails to comply with any such terms or condition hereinafter stated.

1. The turnout shall be constructed in accordance with Chapter 4 of the State of Alabama Highway Highway Department Maintenance Manual and the State of Alabama Highway Department's current highway design standards.
2. The access turnout must be constructed in such a manner that no damage will be occasioned to the county road, and no hazard to the traveling public, will be created.
3. The applicant is not granted any right, claim or control over any part of the highway right-of-way. The applicant is not permitted to use the access turnout or adjacent highway right-of-way for any purpose other than for highway access and for maintenance of the access turnout.
4. The applicant may maintain, and keep in satisfactory condition at the sole cost and expense of the applicant, and drainage structure(s) that may be necessary in connection with this turnout and keep the same cleaned out at all times.
5. If it becomes necessary to remove and/or reconstruct this access turnout, the City of Robertsdale Street Department or its contractors have the right to remove and/or reconstruct said turnout without any payment whatsoever to the applicant.
6. The applicant will not make additions to or otherwise modify the access turnout after its completion without obtaining a new permit from the City of Robertsdale Engineering Department. This stipulation applies to the turnout itself and adjacent highway right-of-way.
7. During construction of this turnout, traffic control devices shall be used in accordance with the ALABAMA MANUAL ON UNIFORM TRAFFIC CONTROL DEVICES – PART VI.
8. At the option of the City of Robertsdale Engineering Department, the applicant may be required to file a certified check or bond payable to the City of Robertsdale in the amount of \$1000.00 for the faithful performance of the provisions of this permit. The bond or check will be returned to the applicant upon completion and acceptance of the turnout by the City, including restoration of affected adjacent road right-of-way.
9. Nothing in this permit shall be construed to permit violation to the denial of access as indicated on the City of Robertsdale highways right-of-way maps relating to the highway, which are of record within the City of Robertsdale Street Department.
10. The applicant shall indemnify and save harmless the City, its officers, agents and employees from any legal action and from any result thereof, arising out of or caused by the construction of this public road access.
11. The access turnout and related work covered by this permit shall be completed within one year from the date shown on the permit. Otherwise this permit becomes null and void. Once work is begun on the turnout, the applicant shall pursue the work continuously and diligently until completed.
12. The decision of the City of Robertsdale Engineering Department shall be final and conclusive on any question that may arise relating to this permit and/or to any work done or to be performed pursuant thereto.
